MEETING SOLUTION

Technology brings new ways of communication, including traditional visual solutions, Deli also provide more and more up-to-date Smart Meeting Solutions.

MEETING SOLUTION

Wall Screen	
Laser Pointer	
Desk Sign Holder & Magnetic Poste	

Deli provides all series of Wall Screens for projectors in Training, Home Theater and Education places. Wall Screens are made in black backed screen material, which eliminates light penetration for superior color reproduction, allows 160 degree wide viewing angle. And also with easy remote control, silent and smooth lift system.

Multiple function and nice designed Laser pointer series have options of red and green beam, use them to clearly focus on key parts of your presentation wich could point as far as from 30~100 meters. They are designed with page management functions.

We also provided high quality super transparent Acrylic Desk Sign Holders in different sizes, and Magnetic Posts with easy-display feature.

Wall Screen
